

Connecting clients to energy, commodities and financial markets Marex on MarketDesk

Innovative technology backed by unrivaled expertise

Marex is a tech-powered hub connecting clients to global solutions in energy, commodities and the financial markets.

With 19 offices worldwide, Marex delivers access to all major exchanges plus technology data and advisory services now available for the first time on the MarketDesk platform.

The Marex – MarketDesk platform delivers accuracy, speed and objective data applied to trading analytics across agriculture, energy, environmental, biofuels, metals, financial and foreign exchange.

The Marex – MarketDesk platform executes the best and broadest tools with ease of access via mobile and desktop without the need for additional

cost in time and money with API and FIX integration. Plus, the Marex - MarketDesk platform features a one of a kind easy-to-use Real-Time Excel Add-In for greater market data analytics.

Add critical real-time data in Excel to share with colleagues and important partners for ease of analysis and decision-making for time sensitive trading environments.

From cocoa to biofuels, natural gas to precious metals and more, the Marex– MarketDesk platforms brings the best in class tools to your fingertips.
